

## **Closure of our bank**

Hi

I live in Jerramungup where our 1 and only bank is closing.

I am currently managing the local IGA and finding it hard to do all the banking requirements for this business. Our closest bank is now Albany which is 185km one way. I also privately bank with this branch. For me to drive to Albany is taking me out of this business for a day and we are currently finding it hard to get staff.
